## Another Primarily Hair Success Story

### Picture This!

After sharing pictures and discussing Dawn's desired new look, the make-over plan was established.

First, a cleansing shampoo. Next, a pre-conditioner to assure even porosity. Then, a special leave-in treatment for extra conditioning.... shine is restored!

Here is a typical success story. Dawn from Hacienda Heights has had a very busy lifestyle and found herself dabbling in home hair-color. She finally got tired of the brassiness and lack of dimension in her hair. With encouragement from her friend, Marcia, she called Donna at Primarily Hair.

The final step--a professional hair cut. Dawn left with the "perky look" she wanted and felt like a new woman!
